Mobile Nurse Computer

What is the **Artech Mobile Nurse Computer?**

- Artech Mobile Nurse Computer is a digital workstation that maximizes nurses' efficiency in critical treatment environments.
- Thanks to its ergonomic design, this device can be easily transported on any surface. This allows healthcare personnel to more effectively care for and intervene with patients. It also optimizes the workspace by ensuring that medical supplies are stored in an organized and accessible manner.
- Artech Mobile Nurse Computer also contributes to hospitals' digitalization processes and improves the quality of work processes by prioritizing the ergonomics and comfort of healthcare professionals.
- This innovative device raises patient care standards by increasing the efficiency and quality of healthcare services.

MOBILE NURSE COMPUTER FEATURES

Artech Mobile Nurse Computer contributes to a seamless treatment process by providing digital storage and easy access to medical files and documents required in medical processes, with digital checklists that reduce the risk of errors.

This innovative device ensures that medical supplies are organized and accessible during patient care, treatment, and intervention, which allows medical staff to intervene faster and more effectively.

With the Artech Mobile Nurse Computer, healthcare services are carried out in a more organized, efficient and error-free manner, significantly improving the quality of patient care.

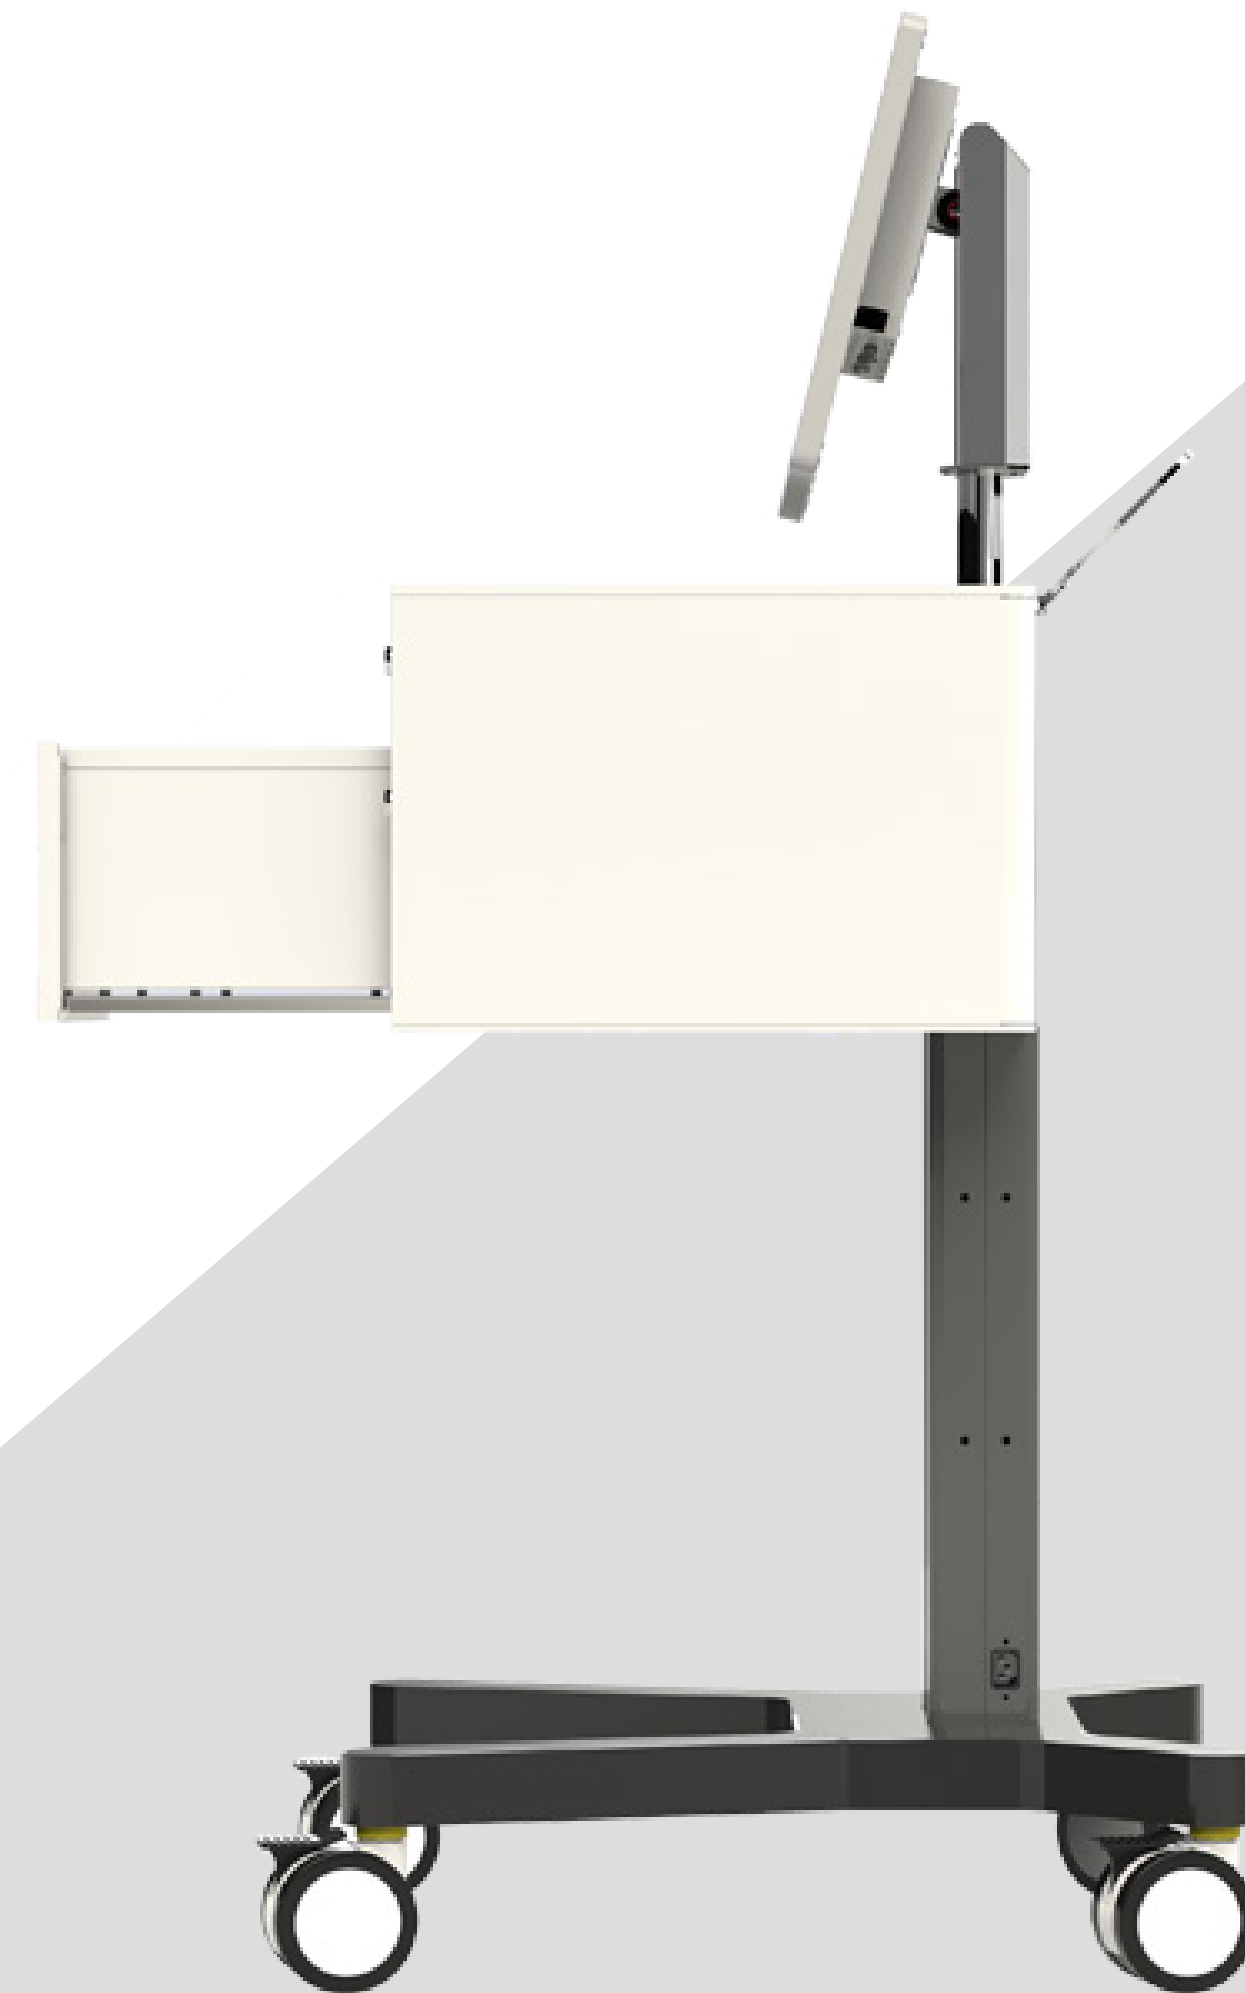

Digital checklist and recording,
control and monitoring of medicines
and medical consumables used

Error-free documentation and
reporting in a digital environment

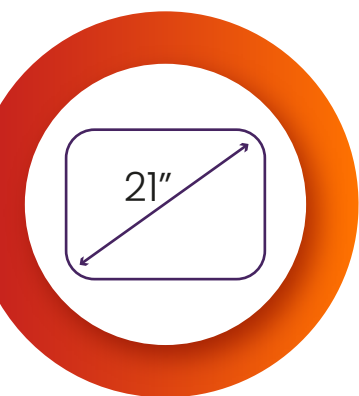

Quick access to the
patient's medical history

Tracking of medicines and medical consumables used with a barcode reader

Medical-grade, high-resolution 21" display - Monitor height adjustment and ergonomic keyboard tray

Anti-bacterial disinfectable body

In Which Areas Can You Use Artech Mobile Nurse Computer?

▶ Patient Floors

▶ Outpatient Treatment Areas

▶ Emergency Services

▶ Intensive Care Units

▶ Operating Rooms

For What Purposes Can You Use Artech Mobile Nurse Computer?

▶ Medicine Dispensing

▶ Clinical Rounds

▶ Telemedicine-Remote
Examination Consultation

▶ Entering and Tracking Patient Data

▶ Data Collection in Intensive Care

▶ Monitoring of HIS and Processes

Why Artech Medical Computer Solutions?

- Domestic Production and Domestic Software.
- Customer orientation and sustainability.
- Artech Medical Computer products have a modular and maintenance-free structure and offer a fast and uninterrupted technical service with up to 3 years warranty and five years spare parts support.
- Rigorous quality control and high customer satisfaction.
- Each device is tested in our test laboratory, located in our factory, and then delivered to our customers after passing through quality processes.
- Compliance with international standards
- Our products have CE certificates.
- Artech medical computers and operating theatre consoles are designed for sterile hospital environments, have 93/42/EEC medical device certification and are manufactured by IEC-60601 medical device, electrical and safety standards.

With video and data integration for a simple, secure and more modern working environment, we enable healthcare staff to focus on the best possible patient care.
