Why Artech Medical Computer Solutions?

- Domestic Production and Domestic Software.
- Customer orientation and sustainability.
- Artech Medical Computer products have a modular and maintenance-free structure and offer a fast and uninterrupted technical service with up to 3 years warranty and five years spare parts support.
- Rigorous quality control and high customer satisfaction.
- Each device is tested in our test laboratory, located in our factory, and then delivered to our customers after passing through quality processes.
- Compliance with international standards
- Our products have CE certificates.
- Artech medical computers and operating theatre consoles are designed for sterile hospital environments, have 93/42/EEC medical device certification and are manufactured by IEC-60601 medical device, electrical and safety standards.

With video and data integration for a simple, secure and more modern working environment, we enable healthcare staff to focus on the best possible patient care.
