

artech PERFORMANCE Series IPC-700

art of technology

Artech Performance Series touch panel computers provides high performance in heavy industrial environment conditions.

artech PERFORMANCE Series IPC-700

art of technology

**High Contrast
Industrial Panel**

**10.1" / 15.6" / 21"
Screen Options**

**IP65 Front End
Protection**

**Capacitive Multi-Flat
Touch Technology**

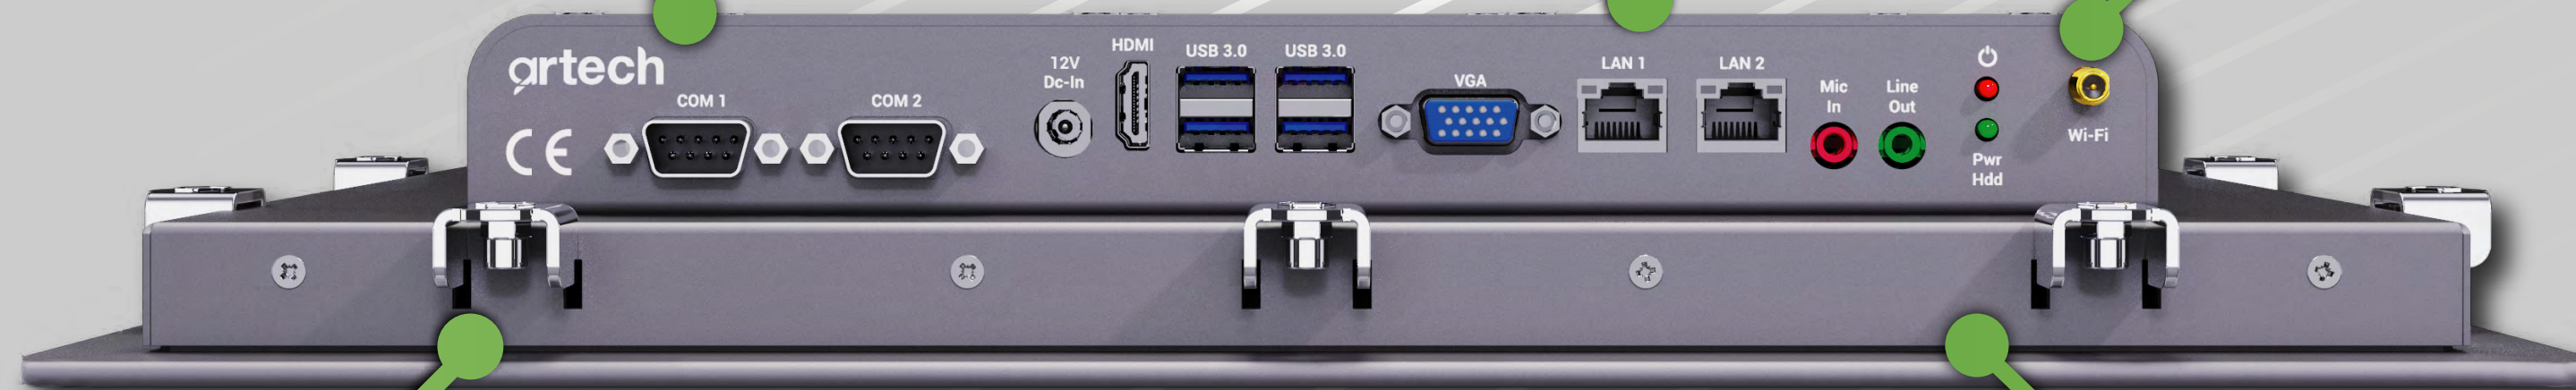

artech PERFORMANCE Series IPC-700

art of technology

**0-60 °C Working
Temperature**

**Fanless Pentium N4200
Processor**

**Slim Industrial Type
Metal Body**

12VDC Feed

**Dust Protected,
Powder Coated Body**

artech PERFORMANCE Series IPC-700
